BLACK FRIDAY IN RECOVERY

Choose Recovery Over Retail

We're Looking for Speakers!

Black Friday can bring intense pressure to **buy, shop, get a good deal!** For those of us recovering from compulsive spending and debting, it can be a challenging day.

This Black Friday, November 27, 2026, **Debtors Anonymous Intergroup of Sacramento (DAIS)** is hosting a special day of support, connection, and recovery - and we're inviting members who have walked the path to share their experience, strength, and hope.

Have you completed the 12 Steps?
Have you been free from accumulating debt for at least one year?

We'd love to hear from you.

Share your experience of recovery and offer encouragement to those who may be facing Black Friday with uncertainty, temptation, or fear.
Your story could help someone discover that they **don't have to spend in order to feel good, celebrate, or care for themselves.**

We're looking for speakers who can share:

- What recovery has given you
- How you navigate shopping and spending triggers
- What you do instead of compulsive spending
- How the 12 Steps have changed your relationship with money
- What it means to experience Black Friday - and the holiday season - in recovery
- **Your experience, strength, and hope**

You don't need to have the "perfect" story.

You simply need to be willing to share **what has worked for you.**

Help us make Black Friday a day of recovery.

If you have completed the 12 Steps and have not accumulated any further debt for at least one year, please consider being a speaker.
